38 1794: Entire letter clearly datelined *"Manila, 5 Aprile 1794"* internally, travelling on the Trans-Pacific route via Mexico, with unique framed **"S. BLAS"** transit handstamp in black (Yag & Bash fig. GD85 / Tizon fig. 1) and equally fine *"NUEVA / ESPAÑA"* handstamp in red. The Pacific route was safer for Spanish Galleons, especially at this date when The French Revolutionary Armies were invading Catalonia. The letter, in Italian, states that the writer cannot sell gold for a good price, that he had received little help after a disasterous fire in Manila, and that his wife had given birth to their ninth child with six still alive. An exceptional entire, the file folds backed for protection but one of the rarest and finest of all Colonial period Maritime letters recorded. Signed Todd AIEP.
Note: This is the letter from which both Yag & Bash and Manuel Tizón listed the 'S. BLAS' handstamp.

151	1841: 1 d. red-brown, lettered MI, used with an extraordinary irregular block of twelve 1841 2 d. blue, plate 3, lettered AE-AL / BI-BL, all tied to 1843 cover from Dromore, Ireland addressed to General O'Donnell, lately appointed Captain General of Cuba, tied by Maltese Crosses in black. Reverse with DROMORE cds in green (Oct 12), Dublin transit in red and London cds in red (Oct 14). Stamp AE defective and two further 1 d. or single 2 d. stamps missing from the cover (rate to Cuba was 2/3d.) and the letter-sheet somewhat cracked due to tropicalisation but an extraordinary franking to a very rare destination. Cert. Holcombe (1994). *Note: O'Donnell was sent to Cuba as Captain General during October 1843. He is credited with the massacre of 1844 known as the repression of La Escalera. Thousands of slaves and free-coloured people in Cuba were confined in dungeons, were tortured and executed in what became known as the 'year of the lash'.*	8+ 14	✉	**3'000**	*(€ 2'700)*

To have a better chance of being successful as a postal bidder we recommend setting a limit for the total amount of your purchases (excl. 20% buyers premium): for example, bidding on a range of lots with a total amount of CHF 10'000 and setting a limit of CHF 7'500 for your purchases means that the total for lots knocked down to you will not exceed the limit you have set. We know from experience that postal bidders are rarely successful on all lots. On the other hand, you might have been interested in other lots as well, but not knowing which lots would be knocked down to you and being worried to spend more than a certain amount, you did not bid on them. Giving a total purchase limit (see also the Bid Form in this catalogue) enables you to have a better chance of being a more successful postal bidder!

On 18 April 1861 Ormond Hill, the nephew of Rowland Hill, wrote to Joshua Butters Bacon the head of Perkins Bacon and Co.:
"My dear Sir, Two or three of my friends who are collectors of Postage Stamps have asked me to procure for them specimens of new or uncommon stamps whenever I have it in my power. It occurs to me that perhaps you may be able to give me a few ..."
He added on 24 April:
"... I should be glad to have six stamps of each kind ..."
On 15 August J. Upham (for J.B. Bacon) sent the stamps to Pearson Hill with the following letter:
"Dear Sir, I beg now to send you as promised ... an envelope addressed to Ormond Hill Esq. containing 6 obliterated impressions of each of the stamps named in the list and request you will take two of each for Rowland Hill Esq. and yourself and then seal the package and forward it together with a letter which you will also find addressed to him, to Mr. Ormond Hill."
It turned out that the supply of the Crown Agents' property was given without authority.
Ormond Hill was not asked to return the „specimens", and in fact, all were treated as private property. Nevertheless, the case destroyed Perkins Bacon as future printers for the Crown Agents.

Many of the stamps and covers here will be well known to specialists of the area as the lots include extraordinarily fine classics from the first issue onwards, including the legendary "Castle" cover bearing the unique pair of the Richardson 1d. orange. The lots that follow, with quality as ever at a premium in Corinphila auctions, features items that have highlighted the collections of such famous philatelists as Philipp von Ferrary, Charles Lathrop Pack, Marcel Stanley, H. Gordon Kaye and more recently, the wonderful collections formed by Bob Odenweller, John Wolfe and Joseph Hackmey.

831A	1857 (January): Richardson printing, 1 d. dull orange on white paper, wmk. Large Star, **the famous "Dwarf"** print, with complete watermark and large margins on three sides and trace of right hand margin at upper right, small thin mentioned for accuracy, the design measuring 18 mm. x 18 mm. (against 19 mm. x 25.5 mm. for the 'normal' stamp), this extraordinarily crushed but complete example was probably caused by an interruption in the printing process. The stamp is cancelled by the oval "NSW" New South Wales duplex in black (introduced in 1858), as is the only other example recorded, presently in the Tapling Collection in the British Library in London, an enlarged colour copy of which accompanies the lot. The Tapling example is in the same shade and both stamps probably emanated from the same cover and were later plated by Grace Gordon Kaye as coming from Row 15, positions 1 and 2. Unique in private hands and one of the most famous of all Classic Stamp varieties and the most famous stamp of New Zealand. Cert. RPSL (1941), BPA (2019). *Note: This stamp was initially found by Robson Lowe and the RPSL certificate of 7 April 1941 attributes it to the Davies printing of 1862. Much research and comparative study has since taken place and we believe that the stamp is from a Richardson printing. The stamp then appears to have been 'lost' in a collection as the late Derek M. Bolton always claimed (over many lunches with this describer) that he found it in a 'mixed lot' of New Zealand. However, the stamp was later the subject of two articles in the 'Philatelist' in 1971 by Grace Gordon Kaye and was eventually sold at auction through London Stamp Exchange on 8 March 1974, as lot 328.*	7 (or 33)	**50'000**	*(€ 45'000)*

862 1864/71: 1 d. carmine-vermilion, single example with a few perf. imperfections, used on 1866 Soldier's concessionary rate cover with complete contents (written from Camp Opanako on July 22), mailed from New Plymouth to Nailsworth, Gloucester tied by numeral "9" obliterator with NEW PLYMOUTH despatch cds (July 30) alongside. Endorsed at top *'From No. 658, Private James Penley, 50th Regiment'* and counter-signed correctly at lower left by Captain R.H.P Doran commanding. Reverse with 'Stroud' arrival cds (Oct 21) in black. Cert. BPA (1991), RPSL (2006), sold together with an extraordinary 1866 cover, addressed to James Penley (but without stating his rank of Private) franked correctly with Great Britain 1858/798 1 d. red, pl. 92 tied by Stroud duplex with extremely rare instructional "RANK / NOT STATED" in red and "RETURNED FOR POSTAGE / THE AMOUNT / "5d." / DEFICIENT" in red with London cds (May 24) alongside (6 d. would have been the Officer's rate). Cert. BPA (1991). Private Penley's letter states, like others from both the Queen's Own and the West Middlesex regiments, that he was intending to stay on in New Zealand. An extraordinary pair of covers from the 2nd. Maori War - this being one of only two known Soldier's letters from the 50th Regiment in the Hauhau Campaign.

Note: A fascinating monograph on the 50th Regiment's activities in New Zealand, by Gerald Ellott, published in August 2017, will be available in Zurich at the auction viewing. The monograph illustrates the other known cover from the 50th Regiment sent at the concessionary rate.

DAMON AND PYTHIAS.
Mr. Thomas Tickell's name abideth not in the memory of many, and few of the rustic moralists who, by reading homely texts strewn on tombstones, learn to die, are aware that his pen set the copy that may be read in every churchyard,—the lines in which the deserted Lucy states to her weeping virgins that she saw a hand they could not see, which beckoned her away. Still fewer readers of verse know that in honour of Kensington Gardens, to which we are about to accompany some acquaintances, Mr.

1008	Französische Feldpost zur Zeit des 7-jährigen Krieges 1757–1762 in Deutschland: Ausstellungssammlung gegliedert nach versch. Feldzügen wie der erste Feldzug in Westfalen und Hannover 1757, Feldzug am Niederrhein 1758, Feldzug in Hessen 1758, Feldzug in Westfalen 1759, zweiter Feldzug in Hessen 1760, Winterfeldzug 1761, Feldzug am Oberrhein 1761 sowie vom letzten Feldzug zw. Alle Briefe mit komplettem Inhalt, sauber datiert und mit genauer Ortsbezeichnung, ebenso mehrheitlich komplett transkribiert und übersetzt. Seltene Stempel sind der A.DU.B.RHIN oder ARM.DU.B.RHIN in Rot. Truppenstp. 1024 **Württemberg Sammlung DAS KAPREGIMENT 1784/1808**, 22 Briefe und Schriftstücke (Passierscheine) von der ersten Kontaktaufnahme des in Diensten der Niederländisch-Ostindischen Kompanie V.O.C. stehenden Württembergischen Kriegskommissarius Ludwig Friedrich von Knecht betr. Stationierung eines Infanterie-Regiments am Kap der Guten Hoffnung, bis hin zum beschwerlichen Marsch der Württembergischen Truppen nach Holland. Am 1. Oktober 1786 schloss Herzog Carl Eugen von Württemberg mit der Niederländisch-Ostindischen-Kompanie einen Vertrag über militärische Unterstützungsleistungen ab (Subsidien-Vertrag). Für die Aufstellung des Regiments stand nur wenig Zeit zur Verfügung. die dafür benötigte Mannschaft wurde im Herzogtum Württemberg und angrenzenden Reichsstädten geworben und in Ludwigsburg zusammengezogen. Am 2. Mai 1787 wurde das erste Bataillon in Vlissingen (Holland) vereidigt. Die Sammlung beginnt mit einem Brief mit kompl. Inhalt von Ludwig Friedrich Knecht, datiert Vlissingen 16. Juni 1784, dem Kriegskommissare in Diensten der V.O.C. mit Unterschrift an den württemb. Oberst. von Nicolai in Arnheim, darauf folgen zwei eigenhändig geschriebene Briefe von Herzog Carl Eugen (1728-1793) adressiert an Oberst v. Nicolai. Der Durchmarsch der Truppen nach Holland durch die versch. deutschen Fürstentümer erwies sich daraufhin als schwierig. Der Brief vom 21. November von Darmstadt 21. Nov. 1786 nach Stuttgart ermöglicht den herzoglichen 'Rekruten' den Durchmarsch durch Hessen, während in der Pfalz die Truppen gestoppt wurden, gemäss den beiden Briefen vom Speyer 29. November und Frankfurt 10. Dez. 1786 an General Nicolai in Ludwigsburg. Erst im Januar 1788 wird der Durchmarsch über Neckar und Rhein von Pfalzgraf und Kurfürst Karl Theodor gestattet, was im vorliegenden Brief mit papiergedecktem Siegel von München 15. Januar betätigt wird. Im Rheinland wird der Zug jedoch wieder gestoppt: " *... dem Uns gethanen Ansuchen um Durchzug für 200 Mann zur Ergänzung der holländisch Ostindischen Compagnie, wegen der seit einigen Jahre in Unseren Landen gehabten vielen Durchzüge das erwartende Gnügen zu leisten nicht vermögens sind, und Unsere dadurch schon hart getroffenen Unterthanen mit derlei Durchzügen, wenn nicht die höchste Nothwenigkeit und die Reichsgesetze Uns dazu auffordern, gern zu verschonen suchen."* so das signierten Schreiben von Maximilian Franz von Österreich, Kurfürst und Erzherzog von Köln an Herzog von Württemberg nach Hohenheim (Bonn 21. Januar 1788*)*. Daraufhin mussten neue Wege gesucht werden, aber auch durch das gebirgige Sauerland gab es kein Durchkommen. Erst im Juni 1788 konnte die Reise weitergehen. Neben den erforderlichen Durchmarschrechten musste auch die Bezahlung für Unterkünfte usw. sichergestellt. werden. Davon zeugt ein Brief eines württemb. Kaufmanns aus Köln, datiert vom 16. Nov. an den Staatsminister Freiherr von Kniestedt in Stuttgart sowie drei Briefe von Middelburg an General von Nicolai betr. div. Geldtransfers und Zahlungsschwierigkeiten der V.O.C.

Einmalige Zusammenstellung, sauber aufgezogen auf A3 Blättern, alle Briefe mit kompl. Transkriptionen und Übersetzungen. Von den insgesamt 3'200 aus Württemberg abmarschierten Soldaten, kehrten 1808 nur etwa 100 zurück. ✉ **4'000** *(€ 3'600)*

The rate of 28 bajocchi shown here was introduced for each 7.5 gr. on 1 January 1858 but only to the port. Mentaschi & Mathà state in their handbook 'Letter Mail from and to the Old Italian States' that it was possible from 1 April 1862 for covers from France to Australia to pre-pay the postage up to the destination but that this option was not available before 1 September 1866 for covers originating in the Papal States. In contrast, this letter demonstrates the possibility to pay the postage not only to the seaport but also to an inland address, although the sequential use of PP and PD marks reflects the uncertainty of the postal clerks in Rome with regard to this fact. Ecaterina Rosetti's tombstone. Ecaterina Rosetti died in 1869. She was buried at the small church on the family's domain at Soleshtiu, which is now in ruins.

The picture shows the family's domain at Soleshtiu its current state of deterioration today, where both letters from this lot have been addressed to.

Theodor Rosetti was the son of Ecaterina Rosetti. He was the Prime-Minister of Romania in 1888-1889. In later years, he was the Governor of the Romanian Central Bank between 1890 and 1895. His mother, Ecaterina Rosetti, died in 1869.

1520	1859 (July 25): The extraordinary registered cover to Waslui, sensibly opened for Exhibit display, franked on reverse for registration with Austria 1858 10 kr. brown (Mi. 14) tied by "Recommandirt / Wien" datestamp in red. The cover was prepaid to the border (note the "Franco" marking in red on front and the diagonal manuscript line denoting full pre-payment), with the postage paid in cash with manuscript "30 / 20" (kreuzers) and arriving at the Austrian Post Office in Jassy (30/7) with blue datestamp on reverse. The letter was transferred to the Moldavian Post Office for onward registered transmission to Waslui franked by 1858 40 pa. blue on bluish wove paper, horizontal pair with four margins tied by "Jassy / Moldova" datestamps (Kiriac fig. 279) in blue (19/7, Julian calendar). Upon arrival in Waslui a manuscript note was eventually applied by the Waslui postmaster: *"D-sale kk. Katinna Rosseti nascuta Sturza, Soleshtiu"* (Her Ladyship Katinna Rosetti, née Sturza, Soleshtiu). The village is located 15 kms from Waslui in which the Sturza / Rossetti's lived and had no Post Office at this date, thus both letters would have been picked up from Waslui by a family employee. The pair of this 40 pa. was likely applied on despatch in Vienna and accepted as full payment in Jassy as is proved by the second cover bearing the 80 pa. uncancelled. The item is matched with the (also unique) 1859 cover bearing Austria 1858 10 kr. brown (2) and 15 kr. blue mailed to Waslui in September cancelled in Vienna in red and bearing an uncancelled 1858 80 pa. red at right. A wonderful and unique pair of covers for the Postal History connisseur of both Austria and Romania. Illustrated in Heimbüchler I, page 143, Book III also on page 143 and Edition d'Or volume XII on page 72/73. Cert. Heimbüchler (2010). *Note: The letters were sent from Vienna by Theodore Rosetti, Prime Minister of Romania from 1888-1889, whilst he was studying law in Vienna, to his mother "Madame Ecathérine Rosetti, née Sturdza", a relative of Helena Rosetti who married Prince Cuza. Andreas Hofer Brief

Das von Andreas Hofer

1705

		Michel	Start price in CHF	Start price approx. €
1705	1809 (31. Okt.): Eigenhändig geschriebener und signierter Brief vom Tiroler Freiheitskämpfer Andreas Hofer (1767-1810) auf kompl. Briefbogen von Matrey am Brenner als Estaffettenbrief "Durch Ordonanz eiligst eiligst eiligst" mit Absendervermerk: "Vom Oberkommando Tirol" und rücks. zwei Siegel mit dem Tiroler Adler, adressiert "An den Herrn Anwalt Josef Gufler zu St. Leonhard im Passeiertal" mit dem dramatischen Nachsatz "nur nicht verzweifeln Andere Hofer". Geschrieben als Oberkommandierender der Tiroler Truppen am Vorabend zur vierten und letzten Schlacht am Bergisel nahe Innsbruck, bei der die Tiroler Truppen vernichtend geschlagen wurden. Ein Brief von grosser historischer Bedeutung. Attest Dr. Gerald Heschl (2018) *"Es war Hr. Baron Lichtenthurn mit der Nachricht des Friedens hier angekommen - nach welchem Frieden unser liebes Vaterland wieder unter Bajern kommen sollte. Was würde das wohl abgeben - schrecklicher Gedanke- Es ist daher nicht möglich, dieses einzugehen - hin wären wir doch auf alle Fälle. Das volk gibt es durchaus nicht nach, alles ist wüthend zum Angriff - alles schreit lieber gschwind tod - als noch einmal unter Bajern kommen. Heute Nacht wird nun also den Feind in Innsbruck überfallen. Machet daher Anstalt zu einer Andacht - denn nur durch augenscheinliche Hilfe des Himmels können wir gerettet werden. Schreckliche Lage - Aber Gott war noch immer bei uns - er wird uns auch diesmal retten - wie er einst das Volk Israel gerettet hat. ich hoffe es sicher, dass Gott uns nicht verlassen werde. Nur nicht verzagen - andere hofer"* Am 28. Januar 1810 wurde Hofer verraten und gefangengenommen. In Mantua kam er vor ein französisches Kriegsgericht. Das Todesurteil durch Erschiessen wurde am 20. Februar 1810 vollstreckt. Josef Gufler heiratete 1792 Gertraud, die Schwester von Andreas Hofer. Gufler war 1809 Führer des Oberinntaler Landsturmes.	✉	**7'500**	*(€ 6'750)*

Das Übergewicht wurde bemerkt ('*21 gram*' links oben, '*noch 33*' Kreuzer mittig) und es wurden letztendlich zweimal 33 Kr. für die zweite Gewichtsstufe frankiert, wobei alle Marken am gleichen Tag entwertet wurden.
